# **prairie west horse pellet**

## **Quality pellets are an excellent choice to supplement any feeding program**

"PrairieWestHorse pellet is a 14% protein pellet designed to be fed to all ages and classes of horses, from drafts to miniatures. Great for supplying the performance horse with protein, energy and full mineral coverage.

Our Prairie West Horse Pellet comes in bulk, 1 tonne mini bulk bags or the convenient, easy to handle 20kg bags sold by the bag or by the 40 bag pallet. Pallet dimensions are 44"W x 48"L x 44" H.

# prairie west horse pellet

**TESTIMONIAL:** *I have been feeding the Prairie West Horse Pellets for 4 years. With all of the added vitamins and minerals, high selenium, low starch my horses perform really well. I've been purchasing the bulk bags, but with the new addition of the 20 kg bags, they will be easier to pack with me down the road.*

*--Wade Rempel*
